

You can add your team to the Cyver Core portal at any time. Team members can be assigned to projects, assigned as stakeholders, and given permissions to start and approve projects.

CREATE NEW USER

1. Click "Settings" in the left-hand menu

2. Click "Users"

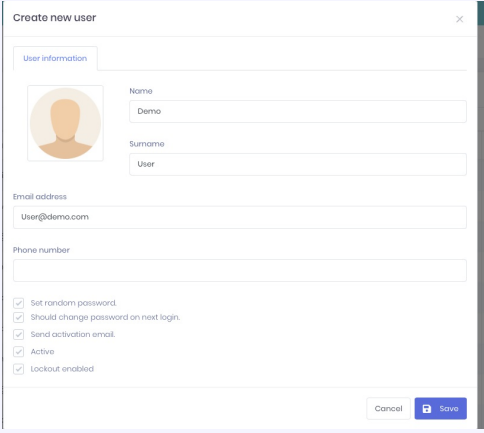

3. Click the "+ New User" button in the upper right

4. Add the User name and contact

information

The 'Create new user' form is a light gray modal window with a close button (X) in the top right corner. It contains a 'User information' tab, a profile picture placeholder, and input fields for Name (filled with 'Demo'), Surname (filled with 'User'), Email address (filled with 'User@demo.com'), and Phone number. At the bottom, there are five checked checkboxes: 'Set random password', 'Should change password on next login', 'Send activation email', 'Active', and 'Lockout enabled'. The form concludes with 'Cancel' and 'Save' buttons.

5. Click "Save"

EDIT USER

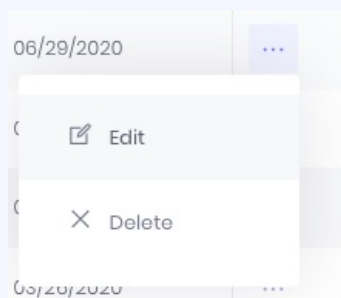

1. Click "Settings" in the left-hand menu

2. Click "Users"

3. Click "..." on the User you wish to edit

4. Click "Edit"

5. Update data

Edit user: ×
